EXPERIENCE HISTORY!

The Civil War is a complicated part of U.S. History, dealing with slavery, war, and limited technologies.

Join us for a day of Living History, as students meet President Lincoln, speak with a Civil War soldier from the south, and learn to square dance.

This Teacher’s Guide provides resources to get you started in participating in our Civil War Hands-On History Day within our Village.
Our Mission
Midway Village Museum, the best institution for collecting, preserving, and interpreting the history of the Rockford region, is committed to educating and enriching our community by providing state-of-the-art exhibits, programs, and events.

Our Vision
Midway Village Museum will be the primary institution where Rockford’s diverse citizens gather to understand their community’s past and to discuss the challenges of the future.

Our History
Midway Village Museum was organized in 1968 by the Swedish, Harlem, and Rockford Historical Societies for the purpose of collecting, preserving, and interpreting the history of the Rockford area. It began with a donation of land by the Severin Family and has grown dramatically since.

In 1972, the original museum site was located on the eleven acres donated by the Severin Family; today the site encompasses 147 acres. The original 10,000 sq. ft. Museum Center facility opened in 1974. The Industrial Gallery opened in 1976. In 1986 the Exhibition Hall was built to link the previous two buildings together. In 1988, more galleries were opened, including the Aviation Gallery and the Carlson Education Gallery. Across the parking lot, the Old Dolls’ House Museum was opened that same year. Today, the 52,700 sq. ft. Museum Center houses seven exhibition galleries, collections storage, classrooms, workrooms, administrative offices, library, audio-visual room, and the Museum Store. Renovations of the History Building have made the facility handicap accessible and made the Museum Center more visitor friendly. The Collection has grown to over 150,000 objects, including three-dimensional pieces, textiles, and archival material.

The development of the Museum’s historic Village began in 1974. The Village is representative of a typical rural town in Northern Illinois at the end of the 19th and the beginning of the 20th century. Midway Village features 26 historical structures, including a general store, hardware store, print shop, blacksmith shop, schoolhouse, town hall, police station, plumbing shop, bank, hotel, hospital, fire station, church, barber shop, law office, two barns, and four farm houses.
We provide the perfect backdrop:
Our Civil War Hands-On History Days program provides a unique opportunity in immersive learning. We fill our 10 acre village with reenactors, reproduction and “genuine-article” artifacts, horses, cannons, and dancing.

During your visit, your students will have the opportunity to speak to soldiers, try hard tack, drill with mock muskets, and fire a cannon. History of the Civil War comes alive for four days a year! Come be a part of this unforgettable experience.

**Typical Program Itinerary**

**Arrival at the museum at 9:30 am**

◊ When you arrive at Midway Village, you will join a line of buses. As your bus moves to the front of the line, all lead chaperones will be asked to step off the bus for a quick orientation. Then, you and your students will depart the bus to a “landing” area where you can drop off lunches, break into groups and go over expectations.

◊ Presentations begin at the start of each bell. Bells (rung in the church and schoolhouse), will ring every 15 minutes to signal passing time. Groups are able to visit any presentation they wish: please be aware that each site fills up on a first-come, first-serve basis (we recommend 30 students per station). A map of presentations will be sent out by email to you a few days before the program.

◊ **Lunch**

Lunch is at 11:30 each day. All presentations stop at this time. If you choose to eat lunch before or after, please be aware that no presentations will be held from 11:30-12:00.

◊ **Headliners**

As mentioned above, headliners are scheduled by the Museum Educator and Special Events Coordinator before you arrive. Every student will see ONE headliner. Therefore scheduling is imperative, and Headliner and times cannot be changed the day of. If you would like to request a headliner, please do so when you send in your reservation. We cannot promise your first choice, but will do our best to accommodate you.

Everyone departs by 2:00pm. Your group may depart anytime you wish, but once you leave, re-admittance will not be granted.

**Q&As**

**Does the Village represent a particular place and time during the Civil War?**
No. A Reenactment has a specific time and place. Our Living History day is more general, with reenactors or Living Historians represent a specific character, person, or representation in a very generic setting.

**Will there be a battle?**
No. Our goal is to present an education program which focuses on what everyday life was like for someone living during the period.

**Is the gift shop open?**
Yes. In our gift shop we sell a variety of dollar candies, small toys, and sodas. If you would like to spend some of your time in our gift shop, you are welcome to.

**Can we buy lunch onsite?**
No. Please have all visitors bring their own lunches.

Several books on turn-of-the-century life are available in the Midway Village Museum store, as well as references at the public libraries. You may also consult primary materials in the Collections at Midway Village Museum by making arrangements in advance with the Curator of Collections and Exhibits. Please feel free to call Midway Village Museum with any questions.
